## POWER SUPPLY INTERRUPTION

A planned power supply interruption will leave Zeerust and surrounding areas without electricity on **Thursday, 28 2014** from 06h00 to 19h00. The interruption is needed for planned maintenance work on the local Eskom substation and high/Medium voltage electricity lines.

The Maintenance on the lines will improve electricity capacity and reliability of supply to Zeerust residents, and surrounding areas. The power supply interruption will affect the following townships, villages and Farmers:

Mmatau, Moubana, Silverkraans, Pella, Madikwe, Kortkloof, Pachsdraai, Koffiekraal, Brakkkuil, Uitkyk, and Skuinsdrift Rurals  
Gopane, Motswedi, Borakalalo, Mmantsie, Mosweu, Ntsweletsoku, Nyetse, Leeufontein, Braklaagte, Moshana, Rietpan, Lekgopu, Supingtsad, Swartkopfontein, Dinokana, Radikhudu, Khunotswana, Matlhase, Madutle, mmutshweu, Lerato town, Welbedacht and Nietverdiend Rurals (farms)

We advise customers to treat all electricity supply points as live, as electricity could be restored to normal before the stipulated time. Eskom regrets any inconvenience that may be caused as a result of the interruption.

Should you require further information or clarity kindly contact the Eskom Call Centre on 0860 37566.
